isitors expected to attend the arnament limitations conference have been listed with the citizens' housng committee. Percy H. Russell, chairman, announced last night. With accommodations still being entered on the committee's books, Russell predicted that all of the Capital's guests would be cared for.

Listings range from single rooms to whole houses containing twentyfive rooms, so that large delegations or lone pilgrims can find lodging with the committee's aid. Assistance has also been given the for eign embassies in finding hotels for official representatives

Will Investigate All.

Personal investigation of all quarters listed with the committee will begin today, after a meeting of the housing committee, Russell said. Listed apartments, houses and ooms will be assigned to commitnote the fairness of rents asked

Presidents of Washington's city and country clubs will meet soon to plan hospitality which the clubs will extend to delegates and visit-ors. Clarence R. Wilson, chairman of the committee on club hospitalty, announced.

Generous Response.

Generous responses of local merhants to the appeal for contributions to finance the program planned will encourage the executive committee to raise the amoun asked for from \$25,000 possibly as high as \$75,000, which would enable the District to install the Ryan of the General Electric Company, it was said yesterday.

JOSEPH GOODSON GUILTY OF MURDER CHARLOTTESVILLE, Va., Sept.

25 .- The trial of Joseph Goodson, of Union Mills, charged with the murder of John Adkins, which occupied the attention of a special session of the Fluvanna Circuit Court the greater portion of past week, came

attorney, was assisted in the prose-cution by R. Lindsay Gordon, of Louist. Haden and Haden, of Pal-louist. Haden Lohnson of Wash. Kuhns, while on the first state of the control of the myra, and Haden Johnson, of Washington, D. C., represented the defendant.

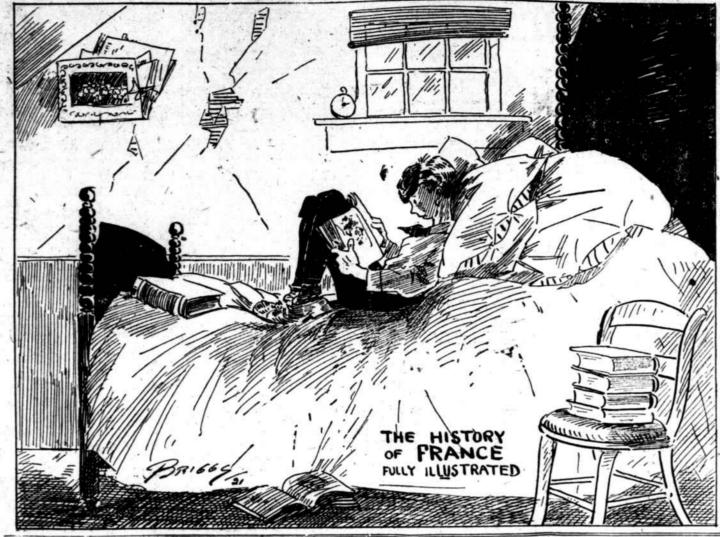

Mills, on the road to Charlottesville.

Adkins, a young farmer, was married early in the spring to a woman to whom Goodson had previously paid attention. On the Sunday before the shooting Goodson's flame for the woman took new life and he wrote her to meet him at a spring near the Adkins' home, and to whistle when she came to the spring and he would come to her in this letter he used many eldearing terms—in fact, made it a real towa letter.

When the men learned that Kuhns was going to Hagerstown for the was going to Hagerstown for the

into the hands of Adkins, the an's husband, who borrowed a shotan's number of the spring, argun and approached the spring, arriving at which he whistled. At the moment Goodson made his presence known, two shots rang out upon the still country air—one from the street here the following morning gun in the hands of Adkins and the an officer arrested him, and he and Goodson. The shotzun proved a ters. While he was there, Martin harmless weapon, but the ball from Goodson's revolver passed entirely through Adkjns' body and, after running about twenty-five yards, gun in the hands of Addition of the car were taken to headquar-doodson. The shotgun proved a ters. While he was there, Martin
